Supervisor Initials

_____ These data were collected and reviewed in a non-biased manner to the best of my ability.

_____ I will continue to support the supervisee with achieving his/her goals for supervision and in acquiring the BACB Task List behavior analytic skills.

Supervisee Initials

_____ I understand that satisfactory performance reviews are required for continued supervision, per the BACB expectations of supervision.

_____ I have had the opportunity to review this feedback and ask questions.

From the BACB Experience Standards

NATURE OF SUPERVISION: The purpose of supervision is to improve and maintain the behavior-analytic, professional, and ethical repertoires of the supervisee and facilitate the delivery of high-quality services to his/her clients. Effective behavior-analytic supervision includes:

- Development of performance expectations
- Observation, behavioral skills training, and delivery of performance feedback
- Modeling technical, professional, and ethical behavior
- Guiding behavioral case conceptualization, problem-solving, and decision-making repertoires
- Review of written materials (e.g., behavior programs, data sheets, reports)
- Oversight and evaluation of the effects of behavioral service delivery
- Ongoing evaluation of the effects of supervision
